**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/30/2018, 12/19/2018, 1/09/2019, 2/28/2019, 6/14/2019, 7/12/2019, and 1/9/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

16      **Special Condition # 4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Antony Escobar violated special condition number 4 by consuming a controlled substance, methamphetamine, on or prior to November 15, 2019.

On January 3, 2020, Mr. Escobar submitted to a urine test at Pioneer Human Services. At that time, Mr. Escobar denied consuming a controlled substance and the sample was sent to Alere for confirmation. On January 13, 2020, the sample was returned as positive for amphetamine and methamphetamine.

On March 22, 2018, Anthony Escobar signed his judgment for case number 2:11CR00017-RMP-1, indicating he understood all conditions ordered by the Court. Specifically, Mr. Escobar was made aware by his U.S. probation officer that he must not use illegal controlled substances.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
